

### **Des Moines Downtown Parking**

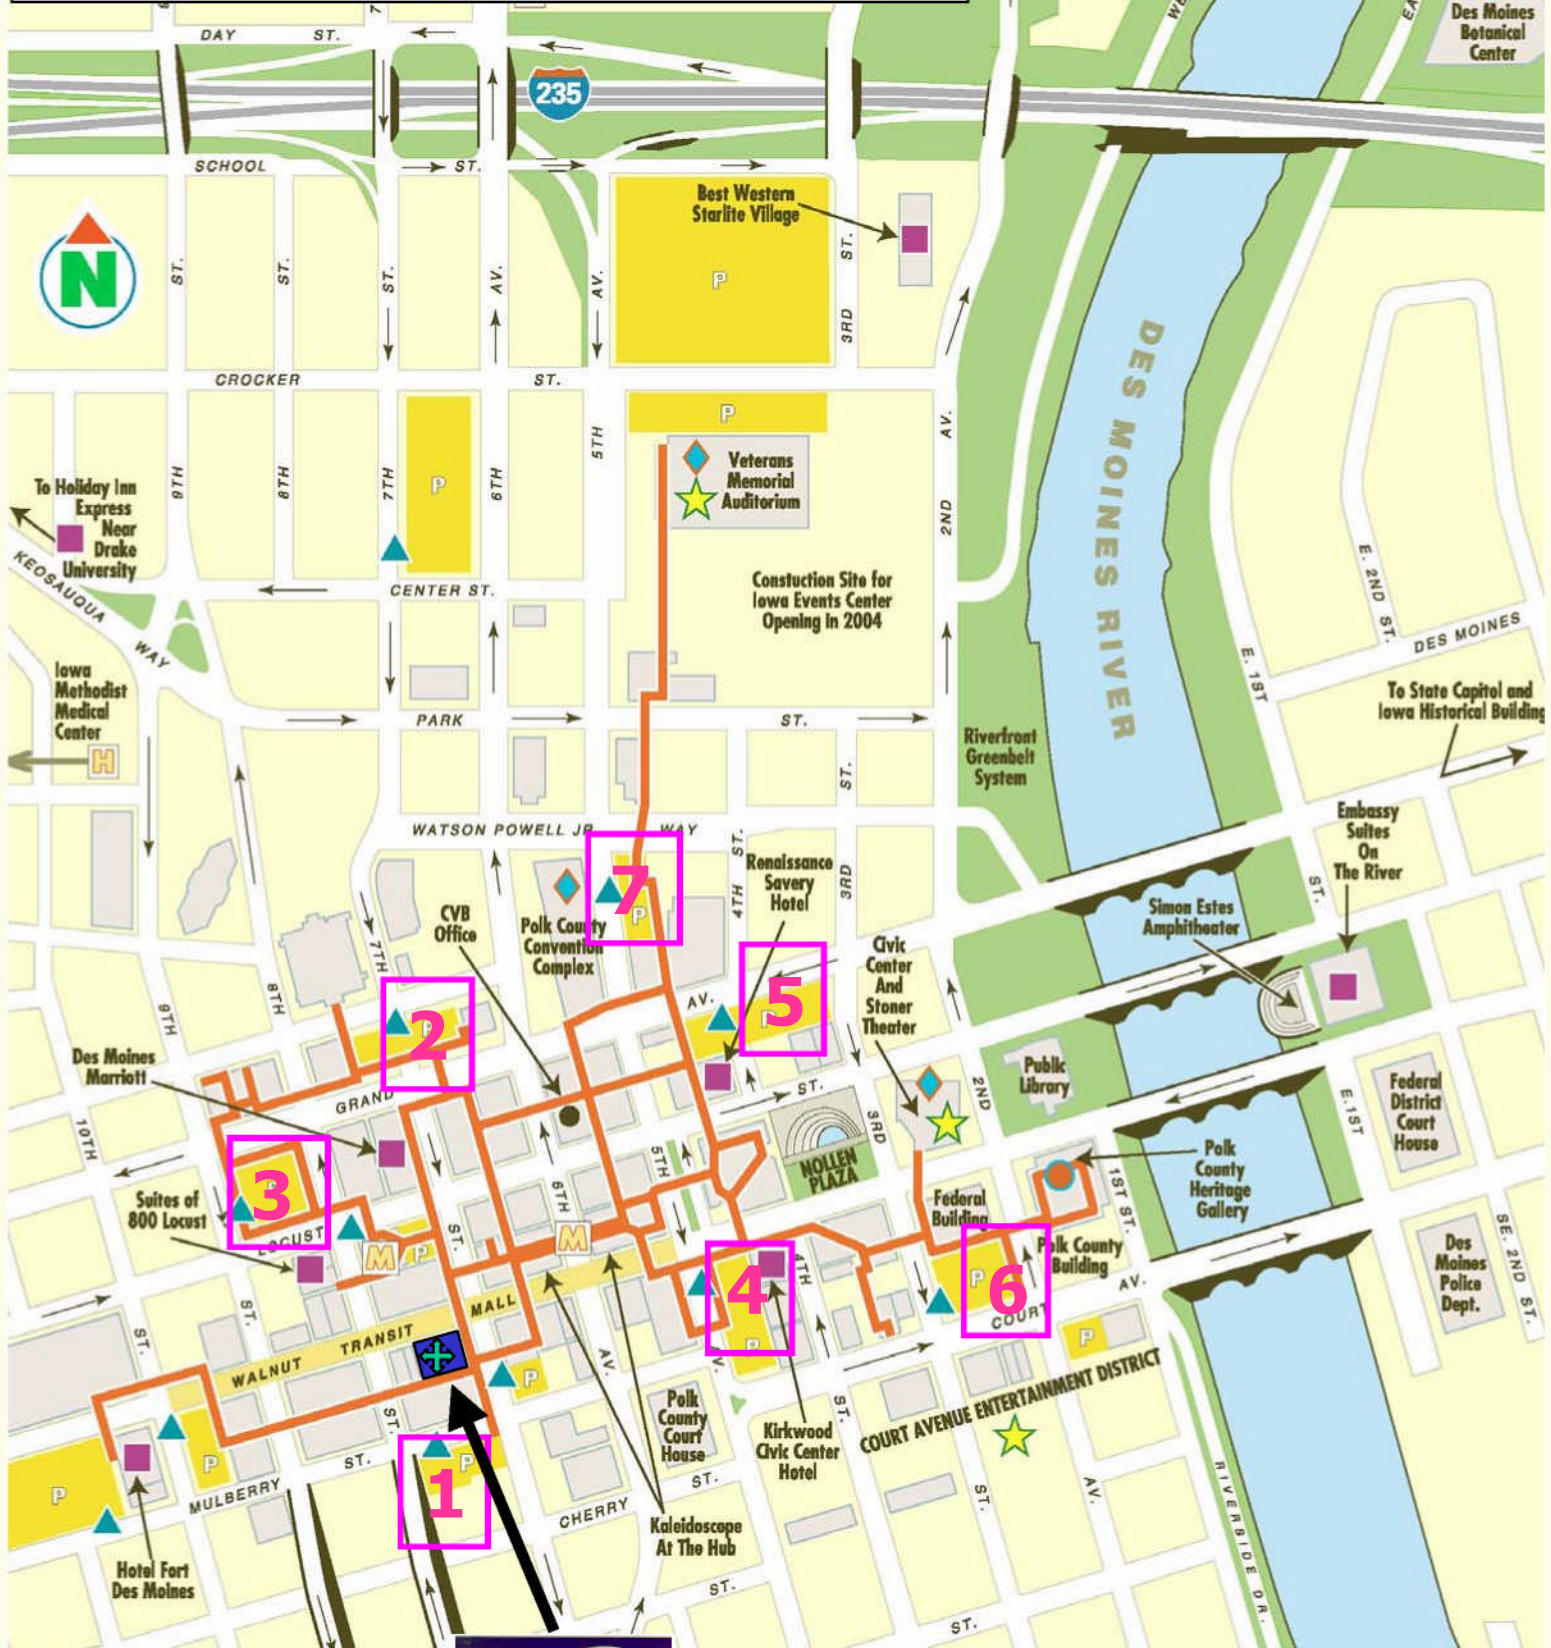

The 8th and Cherry Street parking facility is located one block south of the EMC Building. Please note this parking facility is totally automated. There is no parking attendant at either the entrance or the exit.

Upon entering this parking facility, parkers will be asked to take a ticket. The gate will rise, and parkers can park anywhere in the facility except in locations marked “reserved” or “preferred.”

Upon arrival at the Firm’s 16th floor reception area (700 Walnut), parkers will show the parking ticket to one of the Firm’s receptionists. The receptionists will provide a validation ticket to be used when leaving the parking facility.

Upon departing the parking facility, parkers should insert the parking ticket pulled when entering the garage. The amount due will be displayed. When the amount due is displayed, insert the validation ticket provided by the Firm’s receptionists. The gate will rise. Parkers can exit at either the Cherry Street or the Mulberry Street exits.
